#24HOP Maxxis Tire Pick

MAXXIS®

Looking for a fast and light pair of new shoes for your ride at the #24HOP? The Official Tire of Epic Rides, Maxxis, recommends the Ikon and the Pace. Up front, the Ikon provides the perfect balance of cornering grip and low rolling resistance. Designed for World Cup racing, the Pace is an ideal rear tire thanks to its fast rolling performance and plentiful side knobs for just the right amount of bite. Both tires are available in all three popular wheel sizes: **26", 27.5" and 29"**.

Presented By The Tucson Medical Center

The **Tucson Medical Center** is the Presenting Sponsor of the 2017 **24 Hours in the Old Pueblo**, and our friends at TMC are always looking out for the health and well-being of event participants. Epic Rides and TMC have put together a page with information on how to treat the most common injuries that might be experienced at this year's #24HOP, a great primer for all event participants to read. [Check it out!](#)

Also, mark that calendar for a "Bike-In" get together at the **Tucson Hop Shop** hosted by TMC on January 14, 2017, with tasty brews and film screenings to help fire up the new year of mountain biking.

Celebrating New Years

From all of us at Epic Rides, we hope your 2016 was as enjoyable as ours. We had a blast hosting everyone who came out to our five events, and we want to extend a huge thank you to all participants, our sponsors, and the communities where our events are held. **Here's to making 2017 even bigger and better!**

See ya trailside,
