#24HOP Rider Tips

In order to make sure everyone at the 18th annual [24 Hours in the Old Pueblo](#) p/b [Tucson Medical Center](#) has a good day on the bike, keep in mind these friendly passing etiquette guidelines:

- For those out there just cruising, please be mindful of faster riders and yield when a passing rider calls out **“on your left”** or **“on your right”**.
- Please don't speed up when someone wishes to pass, just let them by as soon as it's safe.
- For those passing, be vocal but be courteous. Shout **“rider back”** well ahead of your approach to give the rider plenty of advance notice. Then as you get closer, if they haven't pulled over, give another friendly **“on your left”** or **“on your right”**, and after passing, be sure to say thanks and shout some positive words of encouragement.

To celebrate the new Official Travel Partner of the #24HOP, BikeFlights is giving away two vouchers for bike shipment to the Old Pueblo! All you need to do is fill out a raffle entry and submit for your chance to win. The winner will be announced **February 3rd**.
