[New Carson City Off-Road Course With More Singletrack](#)

After a historic and much needed winter in the Sierra Nevada, the high country above Carson City is still under as much as 12 feet of the white stuff. No worries though, because Carson City has an incredible network of singletrack that's snow-free and in primo condition!

The **Capital 15** course will remain unchanged from last year, with the **Capital 35** course doing two laps and 35 miles with 4,400 feet of climbing around downtown Carson City. The **Capital 50** course will tack on an extra lap for 53 miles with 6,700 feet of climbing. Nearly 80 percent of all the courses are singletrack!

Carson City Off-Road Processing Fee Increase

Get in on the **Carson City Off-Road** before the next processing fee increase on June 1.

This is your last chance to get a custom number plate and your insanely soft Carson City Off-Road t-shirt designed by **Cirrus Visual Communications**!

There's only 150 spots left, and just like it's inaugural year, the **Carson City Off-Road** expects to reach capacity before event weekend.

Carson City Off-Road Four Peaks Music Festival Opener

Turn on "Highway Tune" from [Greta Van Fleet](#), close your eyes and you'd swear the reincarnation of Led Zeppelin was blasting through your speakers. Hailing from Detroit, Michigan, Greta Van Fleet consists of 20-year-old twin brothers, a younger 17-year-old brother and a 17-year-old family friend who absolutely defy their age with a mature, heavy sound that harkens back to rock of old.

Greta Van Fleet will be rocking downtown Carson City as the opening act on Saturday at 5p at the [Carson City Off-Road Four Peaks Music Festival](#).

People will surely be talking about this band after the weekend is over, so don't miss it.
