[Off-Road Series Pro Podium](#)

All of us at Epic Rides extend a sincere "Thank You" to the 187 pro mountain bikers that joined us for the Off-Road Series in pursuit of their piece of the \$100,000 cash purse!

The season brought big time margins overcome by crushing mechanicals and flawless rides among some of the countries most challenging terrain. In the end, **Katerina Nash** (CLIF) and **Howard Grotts** (Specialized) came out on top as the **Off-Road Series Overall winners**.

A huge congrats goes out to all pro riders who took on three very challenging courses and kept things interesting all the way to the end.

Hail The Trail Winners

845 individual donors contributed to the first ever **Hail The Trail** Fundraiser!

All told, **over \$26,000** was raised for three very worthy trail advocacy groups while three very nice bikes from **Ibis Cycles**, **Salsa Cycles** & **Norco Bikes** have found their way into the hands of three lucky and deserving winners.

Congrats to Lance B., Dave B. and Steve F. for your new bikes!

Here's to great trails and those who build them and going even bigger next year!

## Singlespeed Worlds Airfare Winners

For those who believe derailleurs are for failures and race with only one gear, any top five male or female singlespeed finisher at each full-length distance in the Epic Rides' Off-Road Series were automatically entered into a raffle for round trip airfare to **Singlespeed World Championships** in New Zealand.

And the winners are...Congratulations Lea S. and Chris H., pack your bags and your bike, and start working on that bike party game!
