#24HOP Dedicated to Laird Knight

Epic Rides is honored to dedicate the 2017 [24 Hours in the Old Pueblo](#) p/b [Tucson Medical Center](#) to MTB Hall of Famer, Laird Knight, the founder of 24 hour mountain bike racing.

Laird's Granny Gear Productions was instrumental in growing the popularity of mountain biking in the early 1990's, and has had an indisputable influence on our sport. There could be no more fitting dedication recipient for the #24HOP than the originator of this round-the-clock event format.

"Without Laird Knight, there'd be no Epic Rides."

Join the fun on Friday, Feb. 17 in the exchange tent to celebrate Laird's contributions to our sport. The evening includes [Blue Banjo BBQ](#) serving up a huge spread, [Cirrus Visual's](#) coloring contest, and local music. Tickets are limited to the first 100 folks, so don't miss out.
