MAP TO VENUE

Dispersed Camping

Close-to-venue dispersed camping.

The majority of campgrounds on the Apache-Sitgreaves National Forests are primitive and offer dispersed camping. You may camp outside of recreational areas anywhere on the Forest at no charge. Potable water, toilets, and other amenities are not generally available. If you choose to camp outside recreational areas, be sure to bring adequate water or be prepared to purify any water source before drinking. Also, remember if you pack it in, then pack it out, don't leave your trash for others to clean up. No permits are required to camp in Wilderness areas.
